

Design

2023-2024

	Key Stage	Class	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Birch Wood Vale and Ashton House	KS3	Year 7	3D Glasses: 7DP AUT 1 You will be investigating a wide range of themes from animals, music and festivals. You will design, test and make a 3D themed glasses for a fancy-dress company.	Puppets: TDH AUT 2 You will be investigating a range of puppet mechanisms using card engineering processes. You will design, test, and develop a range of working puppets for a new 'Character'.	Subject Rotation	3D Glasses: SPR2 TDH You will be investigating a wide range of themes from animals, music, and festivals. You will design, test, and make a 3D themed glasses for a fancy-dress company.	Subject Rotation	Organic Squash: 7DP SUM 2 You will be investigating a range of soft drink designs (letterings, colours, and 3D shapes). You will design and make a prototype model for a new healthy fruit drink titled 'Organic', using card construction techniques.
		Year 8	Subject Rotation	Organic Squash: You will be investigating a range of soft drink designs (letterings, colours and 3D shapes). You will design and make a prototype model for a new healthy fruit drink titled 'Organic', using card construction techniques.	Subject Rotation	3D Glasses: You will be investigating a wide range of themes from animals, music and festivals. You will design, test and make a 3D themed glasses for a fancy-dress company.	Subject Rotation	
		Year 9	Packaging Net Design: You will be investigating a range of net designs used in packaging. You will test, develop and make a prototype packaging, for the theme of cereal packaging using geometric shapes as your inspiration.	Subject Rotation				
	KS4	Year 10	Key Skills in Design: Graphic Techniques	Typography 3D Tag	Music Promotional P.O.S Stand Research and analysis	Music Promotional P.O.S Stand Designing and developing prototype.	Music Promotional P.O.S Stand Designing and developing prototype.	Interior Design Research and analysis Mood boards
		Year 11	Key Skills in Design: Graphic Techniques	Coursework review and improvements	Y11 Examination Preparation and coursework			Y11 - Improvements Coursework & Examination Moderation
	KS3	The Yard	Subject Rotation		Organic Squash: YARD SPR1 You will be investigating a range of soft drink designs (letterings, colours, and 3D shapes). You will design and make a prototype model for a new healthy fruit drink titled 'Organic', using card construction techniques.	Subject Rotation	3D Glasses: YARD SUM1 You will be investigating a wide range of themes from animals, music, and festivals. You will design, test and make a 3D themed glasses for a fancy-dress company.	Subject Rotation
		The Den	Subject Rotation		Packaging Net Design: You will be investigating a range of net designs used in packaging. You will test, develop and make a prototype packaging, for the theme of cereal packaging using	Subject Rotation	Organic Squash: You will be investigating a range of soft drink designs (letterings, colours and 3D shapes). You will design and make a prototype model for a new healthy fruit drink titled	Subject Rotation

Long Term Curriculum Map

				geometric shapes as your inspiration.		'Organic', using card construction techniques.
