

KS2 Results

At Birch Wood we have a wide range of learners including students with PMLD, SLD, MLD and ASD and many other factors that affect their learning.

It is not appropriate therefore for all our learners to complete qualifications.

We are aspirational for our learners and balance their abilities and emotional health with getting them qualification currency which will support them to make their next steps.

Our Cohorts each year have very differing needs and therefore results fluctuate dependent on student's learning cognition needs.
